I'm flying across the country
I'll be landing in an hour or two
Landing in New York City
Landing far from you

I'm flying across an ocean
Gliding into a night
It's dark above me, dark below me
Dark all around me far from you

And I hate the way we said good-bye

I hate the way time flies

I'm sorry I did what I did

What I mean

D/A G/B D7/C G/B D7/C G/B D/A G

I'm walking through the streets of Paris
Cobble-stoned and dirty grey
It rains on the streets of Paris
It rains far from you

(Chorus)

D/A G/B D7/C G/B D7/C G/B D/A G

I'm flying across the country
I'll be landing in an hour of two
Landing in San Francisco
I home now but still far from you
